

## JAMESTOWN HOUSING & LAND USE QUESTIONNAIRE: BACKGROUND INFO

The purpose of this questionnaire is to provide the planning team with additional background information in order to better inform the needs, desires, and preferences of the Jamestown community regarding housing options. The information is also being requested in order to get a better understanding of the community's financial burden. While some of this information may be personal, none of this information can or will be used to identify you personally. Your privacy will be protected. Your answer will be combined with other answers to provide information about the community as a whole.
